So he has
never had a
relationship
with anyone
yet.

It is not about
him, but about
him, isn't it?

He's
not a
boy.

I see.

I can't help
it if they
don't like
me. I don't
feel
the same.

I wonder if
he has liked
anyone else
besides me
before?

But he's a
teacher, so
others wouldn't
be able to see
him as a poten-
tial lover, huh?

With that
good-looking
face of his.

It must've
been hard to
find someone to
like him for who
he really was.

Usually you
wouldn't want
to be
seen as a
teacher.

But a
teacher.

The only
person in
the whole
world

The only
one who
knows
what's
worth...
There's
no one,
but me.

That,
I'm glad...

I want to make him mine.

I want him to only see me as I am.

I AM SCARED TO GO BEFORE YOU GET HERE

LATELY

Hey, wait...

This is love, isn't it?

Tomor-
row,

I'll confess
to him

I really
really
like you

for a life.

Remember to, until the day when water no longer stains and teacher anymore.
